The American Business Women's Association is a national organization headquartered in Kansas City. ABWA chapters across the country gather together in the spirit of the ABWA mission:

To bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

The MoKan Chapter of ABWA is the host and sponsor of the "Live, Love, Learn" event, which honors business associates and furthering education for area women. MoKan was established on April 27, 1980 and celebrates its 30th year in Kansas City.

Live, love, learn!

Three exciting areas we can all benefit from... which inspired our benefit event. Join us for a great evening filled with magnificent food, exciting silent auction items, inspirational speakers and lots of mingling among friends. It will be a night to remember, as we honor fellow business associates and support furthering education for women in Kansas City!

Silent Auction 6:00 – 7:25 pm

Our individual "loves" help shape the people we are. Whether you love food, sports, art, movies, wine, or a romantic getaway, our Silent Auction will have something for you or your loved one! Checks and credit cards accepted.

learn

The proceeds of this event will benefit education and development for women in Kansas City. Through furthering education, workshops and conferences, area women will have the opportunity to learn new things and realize their own amazing potential.

Whether through personal or professional development, we can learn how to better ourselves and others... which enriches all of our lives.

Members of MoKan chapter submitted nominations for business associates who have made a positive impact on others, while exemplifying the traits of a true leader. The **2010 Business Associate of the Year** will be announced and honored at our event, along with the **2010 MoKan Woman of the Year**.
