# Get ready to...

Live, love, learn - three exciting areas we can all benefit from, which inspired our annual benefit event.

Join us for a great evening filled with magnificent food, exciting silent auction items, inspirational speakers and lots of mingling among friends.

## live

It will be a night to remember, as we honor fellow business associates and support furthering education for women in Kansas City!

## love

Our individual "loves" help shape the people we are. Whether you love food, sports, art, movies, wine, or a romantic getaway, our Silent Auction will have something for you or your loved one!

Checks and credit cards accepted.

## learn

The proceeds of this event will benefit **education and development for women** in Kansas City. Through furthering education, workshops and conferences, area women will have the opportunity to learn new things and realize their own amazing potential.

Whether through personal or professional development, we can learn how to better ourselves and others... which enriches all of our lives.

*The MoKan Chapter of the American Business Women's Association (ABWA) is the host and sponsor of the "Live, Love, Learn" event, which honors business associates and furthering education for area women. MoKan was established on April 27, 1980 and celebrates its 31<sup>st</sup> year in Kansas City.*
